The new school year has begun. For the safety of all, here are some community reminders:

- With more foot and bike traffic in the mornings and afternoons, please be extra cautious, adhering to the posted speed limit when driving through the community in the mornings and afternoons.
- Stay alert and never pass a bus when its lights are flashing and the stop sign arm is extended. They will be loading or unloading children who may need to cross in front of the bus.
- Be sure to slow down at crosswalks and watch for children who may dart into the roadways unexpectedly.
- For the safety of all, please arrive at the bus stop at least 5 minutes early. While waiting for the bus, do not stand in the street or too close to the curb, waiting until the bus comes to a full stop before approaching it.

- ★ "I put in the request, and within 30 minutes, maintenance was knocking at my door and had the problem fixed within 5 minutes. If I could give more than 5 Stars, I would."

MAINTENANCE TIPS

Hunt Resident App and Online Portal: Did you know you can use the Hunt Resident App and Online Portal to submit routine maintenance requests? It's a quick and easy way to manage your home needs! Plus, you can view your open work orders and service history right from the app.

- Routine Requests Only: Please note that the Online Portal/Mobile Application should only be used to place routine work orders. If you have an emergency or urgent work order, please contact the maintenance department any time, day or night, by calling (252) 501-2511 and pressing 1.
- If you have questions about an open work order, please call our office at (252) 501-2511 and press 2 during regular office hours for updates. Please note: If a duplicate work order is placed and the first one has not been completed, the new request will be cancelled and merged with the original request.

We work hard to complete all work orders promptly. If you have questions about open or recently completed requests, please contact our office.
